

INDIA HABITAT CENTRE PRESENTS
An Enchanting Evening of Vocal Music

Ramneek, a purist from the Ustad Amir Khan's gharana, has performed all over India, North America and Europe. She has many CD's to her credit and has sung in Deepa Mehta's movie "The Midnight's Children".

"Her greatest asset is her voice, fresh and sweet...Her range is commendable, spanning 3 octaves."

- The Hindustan Times
